# Innovative Warmth

From The Inside Out

Specially designed with  
InfraCrystal Fabric  
Fusion Technology

The far infrared (FIR) is thoroughly infused into the raw yarn and will be emitted and absorbed by the body during wear.

# Optimal Circulation

From Ankle  
To Lower Calf

Thoughtfully crafted with  
Gradual Compression  
Technology

Greater pressure at the ankle  
than the lower calf pushes  
deoxygenated blood back up  
to the heart.
